

Liz Dickinson

Membership Chair

Liz Dickinson is a Quality Specialist at General Dynamics Ordnance and Tactical Systems. She has been an Industrial Radiographer since 2000, an ASQ member since 2002, Six Sigma Black Belt since 2005 and an ASQ Certified Quality Engineer since 2007.

Originally from Friday Harbor, Liz attended Washington State University earning a Bachelor of Science, Animal Science and was a member of the varsity women's Track and Field Team. Liz has been active in the Grant County horse community for years as a 4-H volunteer and is the past Secretary and current President of Grant County Horse Association. Liz can be found at most local horse shows in the show office recording show results and tallying scores for the cumulative awards. A lot of Liz's time is spent riding her horses and camping in the horse trailer at Cowboy Dressage gatherings and clinics.
