

Alvin Langstaff

Audit Chair

Alvin Langstaff is an ASQ certified Manager of Quality and Organizational Excellence. He joined ASQ in 2007 and has previously served as section Chair, Nomination Chair and Voice of the Customer Chair.

He received a Bachelor of Science degree in Mining Engineering from Colorado School of Mines and a Master of Engineering Management degree from Washington State University.

During his professional career, spanning over 40 years, Alvin worked in underground mining, radioactive waste cleanup, construction, safety assurance, quality assurance and organizational effectiveness. He worked for many years for several Hanford contractors, most recently as a Senior Quality Assurance Engineer for Bechtel National, Inc. on the Hanford vitrification plant construction project. During his Bechtel career he also achieved certification as a six sigma black belt.

As a current retiree he is enjoying the pace away from the daily grind.
