Wine flies when you're having fun!

Join us on Tuesday, December 2, to celebrate the holiday season.

This is a great opportunity to take a little break from our regular meeting format, check out a different venue, and get together just for fun.

As a “thank you” to our loyal ASQ members, the section will cover the cost of several appetizer plates. You are welcome to also partake in wine tastings and/or have dinner (no host).

You are encouraged to invite your spouse or a guest; just be sure to make your reservations early (by November 26), so we can be sure to have enough room for everyone who wishes to attend.

A little about Gordon Estate and their wines:

In 1980, Jeff Gordon, along with his wife, Vicki and brother Bill decided to plant wine grapes on a sagebrush-covered slope overlooking the Snake River in southeastern Washington's Columbia Valley.

In 1985, he released his first small lot of Chardonnay wine produced from their estate vines, and today the Gordon Estate brand is growing in both production and acclaim.

Now, over thirty years later, Gordon Estate is a leader in the Washington winemaking boom. Crafting wines from an exceptional piece of land, the Gordon Estate portfolio of estate wines has grown to include Sauvignon Blanc, Merlot, Cabernet Sauvignon, Late Harvest Gewürztraminer, Syrah, and their highly acclaimed flagship red blend, “Tradition.”

In 2013, Jeff & Vicki opened Gordon Estate Wine Bar in Pasco, to provide more visibility and ease of access to the community. The Wine Bar offers wine tasting, wines by the glass or bottle, and a menu of small plates, salads and sandwiches. There are three different areas in the bar, with the main area featuring a large granite-top bar and soft lighting with space for live musicians to perform. Décor includes an antique pump organ, a Victrola phonograph and a 1908 Chicago Grand upright piano which is a family heirloom of Vicki Gordon's.
