RESERVATIONS REQUIRED:

A limited number of volunteer slots are available, and reservations must be received by **March 6**. Email 0614asq@gmail.com with your name, phone number and company affiliation. You will then be provided instructions for creating an account and signing up on 2nd Harvest's website as part of our volunteer group. This is a requirement for all volunteers there.

Join us on Tuesday, March 13, at the Pasco facility, where we will help our communities by assisting with 2nd Harvest's food sorting/handling process. After a little training in how to do it right (quality is always important!), we will assist in one of their sorting or boxing (of food!) activities, getting items ready for distribution to other food banks and meal programs in the Columbia Basin.

Second Harvest has been leading the hunger-relief network in the region since 1971. With operations/distribution centers in Spokane and Pasco, they distribute over 2 million pounds of free food each month to help people in need in 26 counties in Eastern Washington and North Idaho. Partnerships with more than 250 neighborhood food banks and meal centers make it possible to feed 55,000 people each week. Second Harvest is able to direct almost 99 percent of all donations, including in-kind gifts, toward collecting, transporting, warehousing and distributing food for people in need.

Second Harvest's mission is focused on organizing the community to be part of the solution to hunger. A broad base of support from a wide range of partners, including generous food and financial donors and 6,200 volunteers, makes it possible for Second Harvest to operate very efficiently. Every donated dollar is transformed into five meals for hungry people.
